

"Family of Israel, you know that I can do the same thing with you. You are like the clay in the potter's hands, and I am the potter." This message is from the Lord.

## KEYNOTE SPEAKER: FR PAUL ROBERTS

*Institute for Mission*

Paul was ordained a priest in 1993. During a first appointment where the parish priest was imprisoned, Paul now sees in retrospect some quite strong influences on his unfolding sense of the relationship between ordination and the priesthood of the baptised. Since that time he has been pastor in a few communities of the diocese, worked with vocations ministry, served appointments to diocesan bodies and undertaken some renewal studies in Chicago in 2012-13.

Since 2014 his primary role has been with the Institute for Mission, an agency of the diocese focusing on the enrichment of life in faith for adults. He also offers an after-hours program of pastoral works along with a weekend schedule in parish communities.

*Paul is pictured here in the mountain village of Pedong, India, in the lower Himalayas, where he has a personal mission involvement.*
