Walking Together: Interfaith Consultation

Synod of the Diocese of Parramatta

The **Diocese of Parramatta** is inviting us to engage one another about our journey to becoming a more synodal church through consultations of listening, dialogue and discernment. To be synodal is to *walk together as a people of God and the whole of humanity, guided by the Holy Spirit.*

In response to the invitation, the **Columban Centre for Christian-Muslim Relations** and the **Interfaith Commission for the Diocese of Parramatta** are hosting consultations on how *we are called to walk together with believers from other religions.* This will include listening to leaders from the Hindu and Islamic faith traditions who will share their interfaith perspective. Please come along.
