Il Pro-Prefetto

From the Vatican, 21 January 2025

Prot. N. EV1/60/2025/P

Most Reverend Excellency,

the volume *Encountering Jesus. Learning for Mission: a Religious Education Curriculum for Catholic Educators*, prepared by the Catholic Schools Office of the Diocese of Parramata, has been conveyed to this Dicastery.

I am pleased to commend the efforts of the diocesan bodies in providing teachers with a valuable tool for their service in schools. I especially would like to note how the new volume, which is inspired by the *Directory for Catechesis*, presents an integral understanding of the experience of faith. By appropriately organizing the formative content around the triptych “Head, heart, hands,” students are offered the opportunity to deepen their understanding of the Catholic faith in its various dimensions, thereby facilitating their personal believing response. Furthermore, the continuous referral to families and parish communities ensures continuity to the educational action that takes place in schools.

It is my fervent hope that the Jubilee that has just begun may help the teachers and students of the Diocese to become “Pilgrims of Hope” and reap abundantly the fruits of the work begun.

Expressing my thanks to Your Excellency for graciously informing this Dicastery of the new publication, I gladly avail myself of the opportunity to extend cordial greetings to you, I remain,

Yours faithfully in Christ,

✠ Rino Fisichella
